THE AMERICAN'S CREED Everyone
Led by Emeric Fischer
Professor of Law
Marshall-Wythe School of Law

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic, a sovereign Nation of many sovereign States, Perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its Flag, and to defend it against all enemies.

-- William Tyler Page
