NON-VISITING EMPLOYERS

We will be happy to notify students of opportunities with employers unable to interview on campus. During 1988, more than 600 non-visiting employers from 43 states solicited resumes from our students. The Office of Career Planning and Placement will collect and send resumes in one package; last year we collected almost 6,500 resumes for 349 non-visiting employers. If the non-visiting employer prefers, we will instruct students to submit materials directly to the employer, as we did for 273 additional non-visiting employers during 1988.

LATERAL HIRING

Twice each month we publish the Alumni Placement Bulletin, which is sent to graduates interested in making a lateral move. At no charge, employers can list vacancies for experienced attorneys by sending to us a brief description of the position and the application procedures. Listings may be “blind” or open.
