Richard Requirements for Degrees in Law Established at College in 1729; Student Body Now 51

(Williamsburg, Virginia) Back in the early 60's when Virginia was being urged to join the Confederate States in defense of the Southland, the present, faculty and students of the College of William and Mary were called to arms. All the present faculty and most of the students of the college, except the Medical Faculty, are graduates of the college. Among them were George Wythe, St. George Tucker, and John Marshall, who later became judges of the Supreme Court of the United States. The college was chartered in 1693 by George Washington, who was then governor of the colony.

The college was founded in 1693 by William and Mary, Queen of England, as the College of William and Mary, the first public institution of higher education in the American Colonies. The college was reorganized in 1729 with a six-year course of study, divided into three parts: the first three years, which included the study of the liberal arts; the fourth and fifth years, which included the study of law; and the sixth year, which included the study of medicine.

The college was closed for three years during the American Revolution, but was reopened in 1784. The college has been a center of learning for over 250 years, and has produced many of the nation's most notable leaders.

The college is a public institution, and is owned and operated by the state of Virginia. It is located in the heart of Williamsburg, and is home to a vibrant community of students, faculty, and staff.
