The Cutler Lecture

The Cutler Lecture series was established in 1927 by James Goold Cutler of Rochester, New York, to provide an annual lecture at William & Mary by “an outstanding authority on the Constitution of the United States.” The original series of 16 lectures ran from 1928 to 1944. After a period of dormancy, the Cutler lectures were revived in 1980/81 under the auspices of the Law School, with each lecture published in the *WILLIAM AND MARY LAW REVIEW*.
