SUPREME COURT PREVIEW

What to Expect
From the New Term

October 2 & 3, 2009
The Institute of Bill of Rights Law was established at William & Mary in 1982 to support research and education on the Constitution and the Bill of Rights. One of the principal missions of the Institute is to facilitate interaction between the professions of law and journalism. Through a discussion of key cases on the Supreme Court's docket at the start of each term, the annual Supreme Court Preview provides in-depth education for journalists on the underlying issues to enhance press coverage of the decisions.

STAFF

NEAL DEVINS, Goodrich Professor of Law, Director of the Institute of Bill of Rights Law, and Professor of Government

MELODY S. NICHOLS, Assistant Director of the Institute of Bill of Rights Law

LINDA QUIGLEY, Adjunct Professor of Law and Consultant to the Institute of Bill of Rights Law for the Supreme Court Preview

“Every Justice Creates a New Court”
Linda Greenhouse 

III. THE SUPREME COURT IN 2020 – No Materials

In America, all things political have a way of turning into judicial controversies. Increasingly, major issues on the national policy agenda turn into litigation, and, ultimately, controversies before the U.S. Supreme Court. Accordingly, it is worthwhile to contemplate how today’s politics will translate into future judicial battles. The panel, “The Supreme Court in 2020” will consider what those issues might be, which of today’s political controversies are most likely work their way to the Court, what the Court’s role in political controversies ought to be, and whether the Court will likely facilitate or limit some of these reforms.

IV. BUSINESS
