- THE PROCEEDINGS OF THE WATER
RIGHTS SYMPOSIUM *Lynda L. Butler* 767

The William and Mary Law Review wishes to thank the Virginia Environmental Endowment, whose generous support of this Symposium made possible the convening of the authors in Williamsburg in March 1983 to present their papers. The Law Review also appreciates the support of the Marshall-Wythe School of Law, the National Center for State Courts, and Anheuser-Busch, Inc. Professors Lynda L. Butler and Ronald H. Rosenberg of the Marshall-Wythe School of Law also deserve special mention for their advice and assistance on the Water Rights Symposium. The Law Review is grateful to them both.
