The Third Annual Brigham-Kanner Property Rights Conference and Presentation of the 2006 Brigham-Kanner Prize to Professor James W. Ely, Jr.

The Brigham-Kanner Property Rights Conference and Brigham-Kanner Property Rights Prize are named in recognition of Toby Prince Brigham and Gideon Kanner for their lifetime contributions to private property rights, their efforts to advance the constitutional protection of property, and their accomplishments in preserving the important role that private property plays in protecting individual and civil rights.

Mr. Brigham is an attorney who has specialized in eminent domain and property rights law for more than 40 years and is a founding partner of Brigham Moore, LLP in Florida. Professor Kanner is professor of law emeritus at the Loyola Law School and is currently counsel of counsel at Kanner, Phelps and Phillips, LLP in California.

In addition to commentary on the impact of Professor Ely’s work, the conference will include a discussion of the protections given to property rights compared to those given other rights under the Constitution.

The conference concludes with a luncheon round table which will explore judicial responses to Kelo.
The William & Mary Property Rights Project

The William & Mary Property Rights Project has two primary goals. First, it encourages legal scholarship on the role that property rights play in society. Second, it facilitates the exchange of ideas between the academy and the practicing property rights bar. In addition to awarding the Brigham-Kanner Property Rights Prize and hosting the allied legal scholarship on the role that property rights play in society.
